

Mail-In Process

Step 1: Text 463.289.8196 (Cory) with your name, business name, and mailing address to request our mailing address.

- ☐ If you are a new client who does not yet have a No Place Like Hone packaging system, you may purchase it for \$20 - which will be credited toward your first mail-in order! The system includes the packing list sheet you'll need to fill out in Step 2.
- ☐ If you are a repeat client, please use the No Place Like Hone packaging system provided with your last order. You may also continue to use one of your own if you like. Please print out the packing list sheet(s) if you don't have them yet.
- ☐ **IMPORTANT:** Text us to let us know you are sending items to be sharpened so we can watch for them.

Step 2: Package items sufficiently to prevent damage during shipment!

IMPORTANT: Complete the NPLH Packing List Sheet(s), writing as clearly as possible, and include it (them) in the box. The billing cell is where the invoice payment link is sent.

Step 3: Ship package to the address we provide you.

Step 4: Items are typically completed within 2 business days after the date of receiving the items.

Step 5: Once items are completed, you will receive a link by text to pay. This link will also enable you to print out an itemized receipt.

Step 6: Your items will typically be sent via USPS to you by the end of the next business day following your payment. The tracking link will be texted to you as soon as it is received from the USPS.
